Abss Optical Cable Customization

Overview

Customization should be discussed before quotation, not after production. Options may include cable category, conductor, AWG, shielding, fiber core count, jacket material, color, length, connector type, logo, reel, carton label, test report, and OEM packaging. Design your own cable harness with the Molex Custom Cable Configurator. Follow the prompts below to design a Custom Cable Assembly to receive a concept drawing, 3D model, samples and/or a quote!Welcome to the CableMod Configurator! You're just a few steps away from customizing your own cable kit! We've designed this tool to be fun and easy-to-use. What do you need?

Home / Products / Fiber / Fiber Harsh Environment Cables / Shipboard Cables / B-Series Breakout – LSZH ABS-Approved Cables Please make a selection above to download your spec sheet. Optec is the leading provider for connectivity solutions with customized fiber cable assemblies and interconnect components that serve extensive optical network applications globally. B2B buyers should confirm application, quantity, quality standard, packaging, destination country, and delivery target. ABS Cables Ltd. is a leading manufacturing industry of Optical Fiber Cables (OFC) of the country with Fourth Generation German Technology Machineries.
